

Information about Student poster Abstract submission for the 26th BaltPharm Forum

The Pharmacists' Society of Latvia (Latvijas Farmaceitu biedrība - LFB) welcomes students from Estonia, Latvia, and Lithuania to participate in the **26th BaltPharm Forum**, which will take place in Jūrmala, Latvia this year on **April 24-26!**

During this year's *BaltPharm Forum* a student poster session will be held. We expect **up to 5 university students** - studying to become pharmacists, working on their master's thesis or PhD - **from each of the Baltic countries** to participate in this year's Forum with their scientific posters. All posters will be evaluated by a jury on April 25 and the best posters will be awarded during the event.

In the light of the *BaltPharm Forum* title this year "**Strengthening Pharmacy Services Across the Baltics**", poster themes such as **social pharmacy, the role of a pharmacist and the role of pharmaceutical care**, as well as **digital solutions for pharmacies** would be preferred but **other themes** are also welcome.

To participate in the poster session during the *BaltPharm Forum* (BPhF), students must:

- Register their participation for the BPhF with their country's coordinator **by March 9** – the coordinator will then inform the Pharmacists' Society of Latvia about all BPhF delegates from their country;
- Submit an abstract to LFB **by March 23** (monta@farmaceutubiedriba.lv);
- Prepare a poster to display during the BPhF: **portrait-oriented A1 page (594 x 841 mm)**.

For abstracts, please use the following structure:

- Title
- Authors: first author – Last name, First name; second author – Last name, First name, etc.
- E-mail of the corresponding author
- Affiliation: institution; country
- Introduction
- Methods
- Results
- Conclusion
- Number of words: no more than 400

For abstract submission and any additional questions please use this e-mail address: monta@farmaceutubiedriba.lv

Participation fee in the **26th BaltPharm Forum**:
